

Learn French with Nathalie Paris @Nattalingo – week 5 – for children up to age 6

Little and often is key!

For starters, look out for a new episode of this every day: [watch the daily French challenge video, learn then practise French throughout the day!](#)

Have you entered my puppet show competition yet? There is still time to do so! Deadline is 30th April. [Click here for more details.](#)

Below are some suggestions to keep you busy through the week. We are looking at words to describe our animals this week (adjectives).

Day 1

- [Click here to watch a video \(it is a song\) and learn the French words for big and small.](#)
- Join in and say “grand” & “petit”! Can you spot 2 slightly different ways of saying each one?

Day 2

- [Click here to watch the 1st part of my video telling you that the words for small and big in French might change slightly.](#)
- Enjoy pointing to your toys and saying “c’est petit” or “c’est grand” to show their size.

Day 3

- [Click here to watch, practise and learn a French nursery rhyme: all about small things!](#) Notice when you hear the “t” at the end of “petit.e” and when you do not.

Day 4

- [Click here to watch the 2nd part of my video; now you can say when people or things are beautiful and when people or animals are kind!](#)

Day 5

- [Click here to watch the big and small song again,](#) and [click here to watch my video again.](#)
- Please draw or find a picture of a small dog; then draw or find a picture of a big dog. Write “un petit chien” next to the small dog and “un grand chien” next to the big dog; if you cannot, ask a grown-up to do it for you! Do the same with a beautiful dog and a kind dog. Actually, it does not have to be a dog: you can choose any animal(s) and draw versions of it: big, small, beautiful and kind!

Days 6 & 7: have a break or go back over your favourite bits!

Extra activity: [a free digital story in French \(the enormous turnip\) – do you recognise the narrator’s voice??](#)
